

CATCHING 'DEEP WEB' DRUG DEALERS BY GLOBAL LENS S CURRENCY TRACKING

The '*weak link*' within drug dealing is as simple as paper, currency, those notes that pass among the buyers and sellers. Yes, cash, that is the heart of the illegal drug business. This is where digital and paper meet the road. Digital currency tracking wins over any other method you might have been or still using!

LENS S (Law Enforcement Network Sharing Solution) is not only the revolution in crime fighting in the shared information of all policing incidents in '*real-time*' and instantaneously enjoining all that have an involvement with suspects and criminals and informing of further participation. Now brings you a proprietary, patented **LENS S Currency Tracking Module**.

Currency or Money is the root of all evil and **LENS S** will record and track the currency which is the **#1 tool** of the drug trade and cartels. Now, you have the ultimate answer that encompasses a solution that is the crime-fighting revolution.

No more photocopying of bills when preparing for an uncover buy or checking confiscated currency for a match by hand. It all happens through **LENS S**.

Everything you require is encapsulated within **LENS S, DMV, NCIC, HIDTA, Safety Net, LPR, PNC, CRIMINT, Accurint local crime and public data with any other databases you wish to add**. As you action your normal verification process via **LENS S**, it accesses all these steps on one screen, smartphone, laptop, PC Desk it works with all.

Within one operation, no additional programs to use, no more retyping names, vehicles tag or other vital information, right in the palm of the hand and at your fingertips.

It is the additional information that is the key, every report and officer's notes are matched in real-time and alert the officer of every interaction the individual has had with law enforcement, from traffic stops to infractions, with important detail from the notes which will be compared and matched.

Checkboxes cannot do that. The simple visual ability, comments, location, associates are brought right to you. Preparing you for the true statements which have previously been stated. This is ensuring your safety as to who you really are encountering.

Adoption by HIDTA & Safety Net would radically make more sense and increase the arrests and the safety of all officers, not just the Narcotics Task Forces, but also every officer who is stopping individuals, either by traffic stops and calls for service.
